BOARD OF EDUCATION

The Board of Education and our superintendent, Francis Taylor, assemble once a month to examine problems concerning Kingman High School. Functions of the board are to coordinate school policies and programs, to plan the yearly budget, hire teachers and establish a varied curriculum.

Presiding over the Board of Education was Karl Koch. The secretary for the board was Mrs. G. E. Madison.

LETTER FROM THE PRINCIPAL

The Kingman community may well be proud of its youth and the educational opportunities provided for them. We should, however, be aware of the increasing effort necessary if we are to maintain our high standards.

Each pupil, teacher, and parent should make the best use of education as provided in the American society. We must always strive toward improvement so that we might continue to create a better society and free world in which to live and enjoy life.

FACULTY

Expressions tell a story. On these faces are mirrored the story of school life as experienced by our faculty. They reflect moments of humor, understanding, frustration, wisdom, fatigue, achievement, exasperation, enthusiasum and surprise.

We appreciate the fact that these teachers combined their time and talents to make school more meaningful to us, in order that we might become more responsible individuals.

ACTIVITIES

NOON-HOUR LEISURE

Quiet. . .
All's quiet
Until the bell
Begins the riot
Of thundering,
Flashing, and stumbling feet.
And the shouting, and pushing,
And other motions equally discreet.
The teachers disdain, and visitors are aghast
At the vigor with which we pursue our repast.
An hour of sights and sounds
That addle the brain;
Until fourth period bell
Sounds its welcome strain.
And then at last
There's the sight
Of filling classes,
And there's quiet,
Quiet. . .

STUCO

Student Council has improved over the past few years. STUCO strived to unite the student body and faculty by sponsoring a Teacher Appreciation Day and other activities this year.

1968 Football Homecoming was one of the most exciting events of the year, highlighted by a spectacular bonfire built by the students. Activated by STUCO, the various clubs sponsored activities during the noon time period such as a mock coronation, a sock hop, and a pep band. STUCO also had charge of citizenship awards, WPA, Dress Up Day, and School Spirit Week. We hope the progress made this year will help the students in the future. Sponsoring STUCO this year were Mr. Howard and Mr. Kimbrel.

NATIONAL HONOR SOCIETY

The Benn Hibbs Chapter of National Honor Society began in 1924 and is sponsored by the National Association of Secondary School Principals. Faculty members recommend qualified students, then a faculty committee headed by Mr. Laverne Dennis makes the final decision.

Students of National Honor Society must have a "B" average and be outstanding in leadership, character, and service to the school. Only a small per cent of the students from each class may qualify.

N. H. S. sponsored student tutoring in Math and English and a "Charlie Brown Week". Since only a very few students are chosen for N. H. S., teachers select four seniors to be honored during this week. They have strong qualifications in some, but not all, of the areas required by that organization. Then the student body votes and elects their "Charlie Brown".

YOUTH CENTER REPRESENTATIVES

Youth Center Representatives sponsor activities at the Eagle's Roost, open Tuesday and Friday or Saturday nights. Black lights, fishnets, a sofa, juke box, and murals on the walls are new additions to "the back room". Dances throughout the year are also the responsiblility of Youth Center.

The organization, headed by Chairman Steve Koch, is made up of two members from each class. Mr. Al Guoit is their advisor.

EAGLE STAFF

The EAGLE is the official yearbook of Kingman High School since the name "Oracle" was dropped from the annual in 1967. Until 1941, the annual was called the "Sunflower", the "Cap and Gown", the "Senior", and various other names. It was named the "Gypsum" until 1930, when it was changed to the "Oracle".

Today's EAGLE is put out by a dozen KHS seniors under the counsel of Mrs. Davis. The Staff has worked long and hard to meet four deadlines and compose the biggest, and--we hope--the best yearbook ever at Kingman High School.

We, the Staff, also hope that this edition of the EAGLE truly represents the 1968-'69 school year at Kingman High School, and that the true meaning and spirit of KHS is captured for posterity within its pages.

ORACLE STAFF

THE ORACLE, the official newspaper of Kingman High School, was established in 1907, the same year in which the old high school building was built.

The first editor of the paper was Clark A. Wallace, who headed a four-man staff with one faculty advisor.

Today's journalism staff, under the advisorship of Mrs. Pastine, has faced an awesome task to upgrade the paper. Through the use of better layouts, more pictures, and the "Graffitti" newssheet, the staff feels that it has made a large step toward the betterment of the school paper.

Mike Stucky, as staff photographer, has spent many hours and flashbulbs to do his job.

Kingman Debators work hard to run off Invitational Tournament smoothly.

Mr. Wray Discusses strategy with (L-R) Jeff Clark, Scott Bertholf, Steve Hipp, and Bill Campbell.

DEBATE

This was one of the most successful years for debate at KHS. Kingman debators brought home two second place trophies and placed consistently high in tournaments throughout the year.

Kingman also hosted its own invitational tournament in December and was the site of a District Debate contest in January.

Experienced debators were Steve Hipp, Bill Campbell, Chuck Asbury, Sam Zweifel, and Pam Crouch. Mr. Wray was their able and eloquent coach.

Elaine Young and Mary McFadden proudly display second place trophy which they won at Emporia Invitational Debate Tournament.

Only in its second year of organization at KHS, Chess Club has made a big hit among students and faculty. Persons with wide varieties of backgrounds and interests have taken up chess, and numerous games are in progress during the lunch hour every day.

Mr. Wray and Mr. Preston, chess enthusiasts in their own right, organized the club last year and have remained as sponsors in 1969.

Besides playing daily during the lunch hour and free periods, members have weekly meetings to conduct business and play chess.

KINDERGARTEN

CHRISTMAS PARTY

Y-TEEN HAS SUCCESSFUL YEAR

Y-Teen is the largest girls' club and the only girls' Christian organization at KHS. The club, one of the busiest, was subject to big ideas this year under the leadership of president Cheryl Flickner. A meeting of the cabinet was held at Silver Maple Camp before school started for an overnighter to make plans for the coming year. The cabinet had the pleasure of seeing their ideas materialize. Among the many activities the group sponsored was a UNICEF drive, a mock coronation promoting school spirit for football homecoming, a Mother-Daughter banquet, the football concession stand, and a kindergarten Christmas party. Each of the nine committees sponsored a service project which kept the Y-Teens busy all year. Y-Teen sponsors are Mrs. Pastine and Miss Maple.

HI-Y

Hi-Y is the oldest organization at Kingman High School. It was sponsored by Mr. Ensey and Mr. Jarnagin.

This year Hi-Y members attended the Father and Son Banquet and the annual Hi-Y Model Legislature held in Topeka. Seven of the club's members participated in a three day exchange program with Mullinville High School.

Officers for the year were Sam Zweifel, president; Steve Koch, vice-president; Mitch Price, secretary-treasurer; Phil Beshore, sergeant-at-arms; and Jim Graber, chaplain.

SCIENCE CLUB

The Science Club is one of the more recently organized clubs at Kingman High School. It was organized in 1962.

Throughout this year, the club has shown films and has sponsored several guest speakers at their evening meetings. A roller skating party and a field trip, held in the spring, were a few of the extra-curricular activities in which the members participated during the school year.

Mr. Mason and Mr. Baruth, both KHS science teachers, sponsored the club.

F.T.A.

The first F. T. A. was organized in 1956 by Mr. Ray McKinney.

It's primary interest is to inform the students about the teaching profession. This is done at meetings by having guest speakers, and student panel discussions.

Activities vary from a 'new members' picnic to punching lunch tickets. This year's officers attended the F. T. A. State Convention at K-State last spring.

F.F.A.

The Kingman F. F. A. Chapter, founded in 1929, was one of the first of twelve founded in Kansas.

A study of methods designed to stimulate productive farms and prosperous farmers occupies the time of the F. F. A. members, who may wish to make some branch of Agriculture their career.

Mr. Leon Sowers is the F. F. A. sponsor.

SPANISH CLUB

The Spanish Club began in 1958, and since then it has evolved into a very active club promoting the Spanish culture---the language, customs, ways of living.

Each year the club members participate in the gay festivities of Pan American Day held here at KHS. A Spanish Christmas party was also planned during which qualified members were inducted into the Spanish Honor Society, the requirements being three semesters of A. They all enjoyed the Spanish games such as breaking the Pinata and the food prepared with a Spanish accent.

LATIN CLUB

In 1959, the Latin Club was established to create an interest in the Roman civilization among Latin students. The club held a Roman Banquet for which they prepared rich Roman food and engaged in different Roman customs such as a slave auction, and wearing their Roman togas.

All members belong to the Junior Classical League for which Sam Zweifel serves as State Secretary. Several competed in activities at the Junior Classical League State Festival in Great Bend. To be eligible for membership, all members were currently enrolled in or had completed two years of Latin.

FRENCH CLUB

Though French Club is one of KHS' youngest organizations, it has made a significant contribution in the past year.

With the assistance of the executive membership, Mrs. Klaver, the club sponsor, strives to present the French culture and language in fresh and novel ways.

For the first time this year, an all French play was given on December 18th. Parents of the cast and play-goers were invited to attend, and refreshments were served to all.

Plus their regular meetings, French Club plans a dinner in the spring featuring typically French cuisine.

K CLUB

K Club, the organization of KHS lettermen, strives to promote sportsmanship and school interest in athletics and better relations among athletics.

Receiving a letter on the KHS varsity athletic team, opens the door to a prospective member but to remain in K Club, the athlete must retain an acceptable academic average.

PEP CLUB COUNCIL

PEP CLUB

The Pep Club displayed their dedication to the Eagles by cooperating with the cheerleaders, practicing good sportsmanship, and generating school spirit. The Club, as did the entire student body, backed the Eagles in victory and defeat.

Besides supporting the teams by attending the games, the Pep Club decorated for homecoming, sold booster pillows, operated the concession stand, organized pep rallies, and helped take tickets at home games.

The Council is made up of President, Vice-President, Secretary-Treasurer, two representatives from each class, and the B-team and Varsity Cheerleaders. These people discuss the problems that arise and help organize the club with the sponsorship of Miss Allen and Miss Neis.

CHEERLEADERS: Marja Grey, Gayle Langley, Head Nancy Wright, Sandie Harbert, Kim Salmans.

100% PLUS

The Eagle Band lived up to their greatly respected reputation again this year. The band's goal was to give 100% plus, which they did.

The year was filled with various public performances including WSU Band Day held October 12, a Winter Concert on January 26, a Pop Concert in the spring, and half-time shows at home football games. Among the selections for the half-time shows were "Mission Impossible," "Slaughter On Tenth Avenue," "Old Devil Moon," and "A Man and A Woman."

In addition, Kingman was host to the League Music Festival held March 28-29 and the State Music Festival held April 11-12.

Ed Craig is the band director and is assisted by William Cooper.

EAGLE CHOIR

Under the leadership of Mr. Keith Franzen, the music department experienced a very active year. A Christmas opera, "Amahl and the Night Visitors," and a Christmas program were given for the public, along with various other programs including a Spring Musical.

The department has seen numerous changes and additions this year. The glee clubs were split, and a new group, The Madrigals, was formed.

Kingman hosted the League and State music festival which were attended by area schools.

The Sophomore mixed ensemble is also the same group that received a 1 at League Music festival and a 1- at State. They will again sing at the League and State festivals.

The Madrigal group is a new addition to the Kingman music department. The group consists of nine girls and eight boys.

The girls wear powder blue dresses, and the boys plan to get blue blazers in the near future. They do various types of performances, and sing old time madrigals and some pop music. They have performed at the 4-H Achievement Banquet, at various church programs, and have given a Christmas performance.

CHRISTMAS OPERA

"Amahl and the Night Visitors", an opera in one act, written by Gian-Carlo Menotti, was presented by the Kingman High School Eagle Choir on Dec. 17, 1968, in the McKinney Auditorium.

"Amahl" was very successful due to the work of Mr. Franzen, director of vocal music department, and the entire department.

Coaches: Left to Right, Coach Ward, Head Coach Kimbrel, Coach Ensey.

All-League players: Bergkamp, Thissen, and Glassner

The Kingman High School Eagles ended their 1969 football season with a 5-4 record, and second place in the league. The Eagles started their season with a victory over a strong Goddard team, and then entered league competition with a victory over Caldwell. Sailing into their fifth game with a 4-0 record, the Eagles were temporarily slowed by their first taste of defeat, losing 7-3 at the hands of Medicine Lodge. In their last four games, the Eagles were handicapped by injuries, with ten of their starters out of action; the result was three losses out of four games.

The Eagles had three members on the all-league teams at the end of the year; Bill Glassner, defensive end, Vernon Bergkamp, defensive tackle, and Tim Thissen, offensive back.

WINNING B-TEAM HIGH HOPES FOR NEXT YEAR

The Eagle B-Team, made up of juniors and sophomores, finished their season with a 5-2 record. They opened their season against Anthony with a victory and were coasting over their competition until their fifth game, when they were upset by a strong Medicine Lodge B-Team. At Nickerson, the same pattern was followed, and they again met defeat. The Eagles rebounded very well by ending their season with a victory over a strong Pratt team.

SKL CO-CHAMP

Kingman High School charged to its best basketball season in five years, as the Eagles tied for first in the SKL. After a slow start, in which the Eagles lost their first two league games, they came back to win the rest of them, including two wins over highly-regarded Anthony.

During most of the season, Coach Ward started three sophomores, a junior, and a senior, and this young team compiled an impressive season mark of 13 wins and five losses, exclusive of State playoffs.

Following the Eagles' 71-50 thrashing of Mid-Kansas power Fairfield High, the Hutchinson News rated the Eagles in the top ten teams in Southwest Kansas.

PROMISE FOR THE FUTURE

The Eagle junior varsity team also had a fine year, winning nine games and losing seven. The team was made up of primarily sophomores, with juniors Bill Glassner, Jay Voth, and Alan Young seeing some action. The JV's winning record, coupled the fact that three sophomores started for the varsity, indicates that KHS will have outstanding cage teams for years to come.

TRACK

Prospects for a fine track season were present as several outstanding lettermen return from last year's squad. They won the Emporia and Andale meets as well as placing second at Anthony, Wichita, and the league, and third at Caldwell.

Strong performers returning include Gordon Kaufman, Alan Kerschen, Steve Shepherd, Scott Shepherd, and Ted Settle. Other high-potential contestants will be competing besides the boys mentioned. This should prove to be the best track squad since the Eagles won the State in 1950.

TOP ROW: Coach Ward, Scott Shepherd, Gordon Kaufman, Kirk Taylor, Brad Dixon, Chris Dixon, Allan Young, Bill Campbell, Tom Mason, Kent Pulliam. TENNIS

Returning lettermen for the 1969 Kingman Tennis team include Mitch Price and Stan Parsons, both two year lettermen. The squad initiated the season at the Anthony Invitational Tournament. They also traveled to Quadrangular Meets at Augusta and Anthony with the season ending at the Southern Kansas League Meet. The "B" team and Freshman team also participated in several meets.

GYMNASTICS

The 1968-69 Gymnastics team, coached by by Don Barton, traveled to Medicine Lodge, Wichita East High, Buhler, Nickerson, & Dodge City. They have achieved four wins out of ten meets. Two seniors, Dennis Clark and Charles Lower, qualified for regional and traveled to the state meet in Wichita. Each of the boys placed quite well for a school our size.

Coach Don Barton made the statement that the 1968-69 season was the best Kingman has ever had.

HOMECOMING 1968

Homecoming Week was filled with School Spirit. Both students and faculty added enthusiasm by participating in special Homecoming events.

On Monday, an assembly was held to announce Homecoming events and to introduce the Homecoming Queen candidates.

Tuesday was designated as Faculty Day. They expressed their enthusiasm by wearing Red and Black. Mr. Franzen and Miss Pollman received special recognition. Y-Teen also held a mock coronation, crowning Tony Graber, King.

School Spirit Day was Wednesday. Two students from each class wearing the best display of Red and Black received free passes to the Homecoming dance. K-Club and the Library Club sponsored a sock-hop at noon.

Each class was designated an area to donate wood for the bonfire to be held Thursday--and the race was on to see which class would prevail with the largest mound.

Pep Band provided Spirit by playing at noon on Thursday. Students gathered east of the parking lot that night for the bonfire. The Senior class prevailed with the largest and highest mound of wood.

Friday, the traditional Pep rally was held downtown. The Queen Candidates rode in special cars decorated by clubs.

During the mist of the Pre-Game evening, Martha Wood was crowned the 1968-69 Football Homecoming Queen.

COLLEGE DAY

The administration has set aside a day to be known as college day in which representatives from different colleges around the state talk to the upperclassman. The purpose of college day is to inform the students of collegiate activities, financial needs, the different departments of education, and to create a warm welcome feeling from their college.
